Message from TOS International President

Dear Friends,

As human beings we all have needs - the most basic being food, shelter, and safety. It is a wonderful thing to help those without the means to satisfy those needs for themselves. During this difficult pandemic period TOS India has responded.

There are many organizations in the world that work to alleviate the suffering of others. The special role of the TOS is to fulfill those needs as a recognition of our one shared life. The giver and the one receiving are the same. We are the givers. We are the receivers and in this process the lines between us dissolve.

I congratulate the TOS India on another year of good works.

Peace and Blessings

Tim

**Message from Dr Deepa Padhi,
TOS International Vice-President**

While conveying my warm greetings to all TOS members of India, I congratulate Br.K.ShivaPrashad, TOS National Director and his team for the excellent work that has been done during the last one year despite lockdowns and shutdowns. Our members of most Regions have shown their true Theosophical spirit and worked with dedication, compassion, kindness and empathy.

This pandemic has taught us to go beyond ourselves, our limited individuality and to understand the truth that we are all together, connected and dependent on each other wherever we are. Therefore, we need to love all and serve all without any discrimination and expectation. In fact, it is not something great we are doing. Humanity means caring for and helping others whenever and wherever possible;

Humanity means forgetting our selfish interests when others need our help. This is altruism, the key concept of Theosophy and Theosophical Order of Service.

Wishing all for collective awareness towards joy of giving and serving.

Deepa

**Message from Nancy Secret,
TOS International Secretary**

Dear Sisters and Brothers,

My heart felt greetings go out to all brothers and sisters in the Indian TOS. You have really out done yourselves by the selfless service given to others in this continuing pandemic situation.

The last two years have been a learning experience for all of us. We now know that we can stay connected with each other even without physical contact and meetings. In fact, many have discovered that the theosophical network can be even more extended through online meetings, education and communication. The TOS India WhatsApp network allows us to keep in contact with each other, and examples seen there of what some TOS groups or members are doing by way of service during the pandemic have undoubtedly sparked service ideas for other groups or members.

We have also seen that the lockdowns, while needed in response to the medical pandemic, have themselves caused economic and educational concerns. Many people have lost their jobs or were out of work for extended periods with no or reduced pay. Although many schools were able to present online classes to their students. Many other children have been without educational opportunities for this extended period of time. You all responded admirably to these situations. Many of you gave food, household and other needed

items to those in need both locally, in your own neighborhoods, and to villages hard hit by the pandemic, especially its economic fallout, and other communities. Hospitals and schools were also aided. Once again you all stepped up with loving-kindness and compassionate service.

Despite these difficult times, other TOS work continued as well. Efforts toward the Empowerment of Women continued in many areas. This was true of assistance to deaf and blind persons and those with mobility issues as well. Your selfless service wherever and in whatever capacity is needed sets an example for the rest of the world. Your tireless efforts to alleviate suffering in the face of a continuing pandemic is truly inspirational.

We are not finished yet. As I said last year, "more work needs to be done. Thankfully, these issues are in your capable hands. I know that with the help of the Masters the loving and innovative members of the TOS India will continue to provide help and support "to all that suffers."

Many blessings to you all,

Nancy

REPORT OF NATIONAL DIRECTOR

2020-2021

K. Sivaprasad

I would like to appreciate all the members of TOS, office bearers of Groups and regions for continuing TOS work despite covid situation as per their capacity. This gives me enriching happiness of working together. TOS group members became more adapted to the Covid situation this year from severe restrictions prevailing in the previous year. Confining to home stay for long period has really made many to transform themselves sympathetic towards less privileged staying in immediate neighborhood. This is seen in the generous support from families to the domestic helpers with monthly payments without using their services, helping Newspaper boy whom every day we see with some groceries, washerman and others with whom we are in constant contact on daily basis to reduce their suffering. People became sensitive towards the loss of livelihoods especially for underprivileged sections due to Pandemic restrictions. Many such compassionate trends were visible with business enterprises and other daily wage workers working in agriculture sphere. Interactions have started through more of phone contacts rather than in person meetings. Whats App group of TOS has become main communication media to exchange information and experience sharing. Online payments through mobile phones were of great help to transfer small donations to the needy people without the requirement of physical travel obligation. More and more are listening to the theosophical talks in the online meetings through internet. In a way it has strengthened the network of institutions and likeminded with closer interaction.

National committee and the Annual general Body meetings were held on 22nd and 23rd December 2020. The National project of TOS continues to be empowerment women. Importance to girl child education and skill development is the emphasis by all regions. Whats app TOS group is the focal point to exchange communications between regions and Varanasi. TOS in India express condolences for the sudden demise of National committee member Bro. Gangaram Hazra and also Treasurer of west Bengal region Bro. Amal Krishna Mondal during this Covid time. Please find the activities done by some regions in brief and the full report of all the regions including which are not mentioned here will be covered in the Annual report which will be compiled and printed in the month of December.

ODISHA REGION

Odisha region has been always in the forefront in rendering services. Continuing from previous year Covid services, further this year expanded with additional activities. Significant contribution was the "Free food to Covid patients in isolation at home." Another major support was to Covid patients with donation of 24 oxygen cylinders to the hospital at Oxygen Garden, a newly founded Charitable hospital. Mr. Paneesh Rao, Chief People Officer, Mind Tree, Bengaluru donated 2 desktops and 40 laptops to the inmates of two orphanages and 25 underprivileged girl students who get scholarships to continue higher studies. This donation of laptops and desktops helped the students to continue their studies through online. September 19th 8th Regional conference was held at Bhubaneswar. Dr. Deepa Padhi, International vice President and President, Odisha region convened the meeting with Prof. Ganeshi Lal, Honourable Governor of Odisha as Chief guest gave an inspiring talk. I was also invited as a Guest of honour to speak about TOS in India. I have also contributed an article "Theosophy as helping hand in community Service" in the SEVA magazine brought out as souvenir during the event. This Souvenir has informative articles motivating service spirit. Other services rendered regularly carried out this year also include Besant Selfless service award presentation, recycling of empty milk plastic bags, Masks and Groceries to, Computer training classes, Zoom talk on "How to keep calm and inner peace during Covid time, healing services and Blankets during winter shows how many multifarious activities are covered by dedicated team. The truth behind this exemplary accomplishment is the driving force of Madam Deepa Padhi and the team of volunteers guided by the Secy Bro. K.P. Padhy and the financial matters taken care by Bro. Saroj Chowdry who is retired from Bank is well versed with accounting and financial matters.

MAHARASHTRA REGION

Two houses were burnt due to electrical short circuit in a village named Sonbardi causing considerable damage to the families staying in these houses. Akot TOS group went to these houses and gave immediate help of household materials such as utensils, clothe-wears as well as foodstuffs to these families. Also, the group members contacted the government officials and asked for emergency help to these families. The group members gave Rs. 6800 to these families. TOS group at Belgaum helped a poor person by giving monetary assistance to him to for his hospitalization and operation expenses. The group donated Rs. 20,000 to the person. TOS group Akot donated a sewing machine to a poor and needy woman to help to run livelihood of her family. TOS Maharashtra region paid the annual

fees of Theosophical Society's annual membership of five graduate college students.

MUMBAI REGION

I am reproducing the here what I received from Madam Freny Toddywala who is above eighty years old with high dedication and managing the work of TOS in Mumbai region with great commitment. "The past year has been a time for a different learning -- for our sponsored students, their families, our sponsors and us. With online learning becoming the norm, the limitations of a mobile phone and poor network connectivity resulted in a disruption of studies for many children. Parents who had lost their jobs and hence unable to afford the school fees were confronted with a situation where the child was denied a report card and online access to studies. Our accommodative sponsors knowing the struggles faced by these families, continued with their financial aid and even increased the regular grant of Rs 5,000 to provide some timely relief. While in normal circumstances we would not make payments to children unless we had received their annual academic report along with a letter of thanks, in these times of social distancing we were compelled to forego these demands and make online payments, crediting the amounts directly to the beneficiary accounts. Through these challenges we have emerged, more resolute to continue promoting education. DOCUMENTING 50 YEARS OF TOS IN MUMBAI: Our plans to celebrate 50 Years of T.O.S. in Mumbai in 2020 being thrown into disarray by the pandemic, we decided to document our history through a short film that captures the activities of our organization and the ideals that our founder Dr Annie Besant and early members propounded. The five decades of focus on different fields of social welfare activities, from "strengthening" in the 1970s, to "expanding" in the '80s, to "nurturing" in the '90s, to a "turnaround" at the turn of the century, to "transforming" in the last decade have been projected through this film that was undertaken by Dr Mangesh and his assistants. WORK FOR THE AILING AND WORLD PEACE: Realizing the importance of sending collective thoughts of peace, faith, healing during these turbulent times, we tried conducting the Healing Group Ritual over Zoom a couple of times but when we realized that instead of it becoming a tranquil experience it was causing a disturbance when the members could not be in sync, we discontinued this practice. From their individual spaces though members who believed in the efficacy of prayers continued to radiate thoughts of strength and comfort to those in distress. TRIBUTES TO JAMSHED NUSSERWANJI MEHTA: To remember our revered Bro. Jamshed Nusserwanjee Mehta on his 68th death anniversary, we had a commemoration meeting on the Zoom platform on August 1, 2020 when

Ms Shernaaz Engineer, Editor of Jam-e-Jamshed, was the guest speaker. The dedication, selflessness and commitment that exemplified the life of Bro. Jamshed who worked for the uplift of the citizens and the city of Karachi were recalled by the speakers. Giving practical expression to the principles of Theosophy in his daily life, it was through purity, simplicity, harmlessness that he chose to be a channel of the Divine Forces. ENVIRONMENTAL AWARENESS: Understanding the widespread devastation that can be caused by even a virus, our members developed a greater respect for Mother Nature in her myriad forms. SHARING SURPLUS At a time when many families of sponsored students were suffering from a loss of income and struggling for their basic sustenance, our members reached out to those within their sphere of influence, helping with groceries and financial aid, or giving special treats to lift the spirits of those who were forlorn. Some of our members gave their time and voluntary service to those confined to their homes. Others rendered institutional help by visiting senior citizens homes."

DELHI REGION

The Vision of Delhi region is to bring about a positive change in the society through theosophical values and education. Three groups in this region are actively involved in weekly study classes for children based on theosophical books, online fund created to sponsor BA Honours Graduation course for a Girl student from Bhowali, donation of computers to Kushi foundation, Food and monetary support to migrant workers, financial support to Cow shelter in Rewari, Monetary contribution for life saving operation of an infant who lost his father in Pandemic and Healing meditation. FROM THE SECRETARY

Warm greetings to all Brothers and Sisters. The past two years have been traumatic for the entire world, with millions of people being adversely affected by the pandemic COVID-19 and as a result of which life came to a standstill. However, it is heartening to note that TOS, which "is a stronger activity within the larger work of Theosophical Society" reflected the true essence of its motto, "A Union of all who love in the service of all that suffers" and relentlessly strove to provide love and help in multiple ways to those who had suffered in these dire times. It is due to the blessings of the Masters that the believers of Theosophy and members of TOS learn to selflessly devote themselves to the service of others.

I owe a deep sense of gratitude to Br. Tim Boyd, Sr. Deepa Padhi and Sr. Nancy Secrest for their blessings and constant encouragement. I am obliged to Br. Pradeep Gohil, Sr. Uma Bhattacharyya and Br. V. Narayanan for their continuous support in all my endeavours. My sincere thanks are due to Br. K. Sivaprasad for his valuable guidance at each and every step and for sharing my work, especially during the time I had spent in the USA. I would like to acknowledge the cooperation of Br. Subhash Bharti in the smooth functioning of all activities at Varanasi. I extend my heartfelt thanks to all brothers and sisters of various zones and regions throughout India.

MUMBAI

MEMBERSHIP

Our membership at the end of the year stood at 251 with 26 Patron Members, 206 Life Members and 19 General Members. During the year three of our Life Members progressed to the higher planes.

SPONSORSHIP PROJECT

The past year has been a time for a different learning -- for our sponsored students, their families, our sponsors and us. With online learning becoming the norm, the limitations of a mobile phone and poor network connectivity resulted in a disruption of studies for many children. Parents who had lost their jobs and hence unable to afford the school fees were confronted with a situation where the child was denied a report card and online access to studies. Our accommodative sponsors knowing the struggles faced by these families, continued with their financial aid and even increased the regular grant of Rs 5,000 to provide some timely relief. While in normal circumstances we would not make payments to children unless we had received their annual academic report along with a letter of thanks, in these times of social distancing we were compelled to forego these demands and make online payments, crediting the amounts directly to the beneficiary accounts. Through these challenges we have emerged, more resolute to continue promoting education.

DOCUMENTING 50 YEARS OF TOS IN MUMBAI

Our plans to celebrate 50 Years of T.O.S. in Mumbai in 2020 being thrown into disarray by the pandemic, we decided to document our history through a short film that captures the activities of our organization and the ideals that our founder Dr Annie Besant and early members propounded. The five decades of focus on different fields of social welfare activities, from "strengthening" in the 1970s, to "expanding" in the '80s, to "nurturing" in the '90s, to a "turnaround" at the turn of the century, to "transforming" in the last

decade have been projected through this film that was undertaken by Dr Mangesh and his assistants.

WORK FOR THE AILING AND WORLD PEACE

Realizing the importance of sending collective thoughts of peace, faith, healing during these turbulent times, we tried conducting the Healing Group Ritual over Zoom a couple of times but when we realized that instead of it becoming a tranquil experience it was causing a disturbance when the members could not be in sync, we discontinued this practice. From their individual spaces though members who believed in the efficacy of prayers continued to radiate thoughts of strength and comfort to those in distress.

TRIBUTES TO JAMSHED NUSSERWANJI MEHTA

To remember our revered Bro. Jamshed Nusserwanjee Mehta on his 68th death anniversary, we had a commemoration meeting on the Zoom platform on August 1, 2020 when Ms Shernaaz Engineer, Editor of Jam-e-Jamshed, was the guest speaker. The dedication, selflessness and commitment that exemplified the life of Bro. Jamshed who worked for the uplift of the citizens and the city of Karachi were recalled by the speakers. Giving practical expression to the principles of Theosophy in his daily life, it was through purity, simplicity, harmlessness that he chose to be a channel of the Divine Forces.

ENVIRONMENTAL AWARENESS

Understanding the widespread devastation that can be caused by even a virus, our members developed a greater respect for Mother Nature in her myriad forms.

SHARING SURPLUS

At a time when many families of sponsored students were suffering from a loss of income and struggling for their basic sustenance, our members reached out to those within their sphere of influence, helping with groceries and financial aid, or giving special treats to lift the spirits of those who were forlorn. Some of our members gave their time and voluntary service to those confined to their

homes. Others rendered institutional help by visiting senior citizens homes.

OBITUARY

Three of our dedicated members, Sis. Homai Driver, Sis. Mehroo Engineer and Sis. Hira Pithawalla left their physical bodies after leading a fulfilling life of self sacrifice and service. We wish their souls greater opportunities on the higher realms.

OUR GRATITUDE

With the guidance of the Great Ones and exemplary cooperation of our members and well-wishers we have endeavoured to mitigate a little of the suffering in this world. We truly value the support of our Donors in India and Sponsors overseas who have opened their hearts and purse strings to uplift others. Our auditor, Shri Deven Shah, proprietor of Naushir Marfatia and Company too gave us considerable support and advice to tide us through these trying times. Thanks are also due to Prof Mangesh and his team for undertaking the video film "The Golden Glow" as also to Mr Ron Billimoria of MiracleworX Web Design, India for maintaining the website of our T.O.S. Mumbai Region at his expense.

West Bengal

The devastating cyclone Yaas had hit parts of West Bengal on 25-05-2021, causing enormous damage to property and creating havoc in the lives of countless families.

We at TOS West Bengal were very keen to extend whatever assistance we could immediately, like we had done last year during the super cyclone Amphan. However, the tragic demise of our Treasurer Bro. Amal Krishna Mondal and Secretary Bro. Gangaram Hazra, coupled with the COVID lockdown restrictions had forced us to put our plans on hold.

In August 2021, we decided to visit some of the badly affected areas and distribute relief material directly to the distressed families.

Based on our estimate furnished to Nancy Mam on 27-08-2021 and tax invoices submitted on 09-10-2021, we received from her on 17-09-2021 fund of Rs. 238620.00, transferred directly to the trader's account. With that amount, we purchased the following material-

1. Rice - 600 Kg
2. Dal - 300 Kg
3. Cooking Oil - 60 L
4. Salt - 300 Kg
5. Milk Powder - 60 Kg
6. Potato - 300 Kg
7. Onion - 300 Kg
8. Face Mask - 300 nos.
9. Tarpaulin Sheet (15' x 12') - 300 nos.

The above material was divided into 300 packets. The same was distributed to distressed families in the following manner-

1. Mathurapur, Mathurapur PS, South 24 Parganas - 50 packets on 02-10-2021
2. Nimpith, Joynagar PS, South 24 Parganas - 50 packets on 02-10-2021
3. Gopalnagar, Mathurapur PS, South 24 Parganas - 50 packets on 03-10-2021
4. Ranaghat, Mathurapur PS, South 24 Parganas - 50 packets on 03-10-2021
5. Mrityunjaynagar, Gangasagar Block, South 24 Parganas - 100 packets reached location on 04-10-2021. Distribution was held up due to inclement weather. Finally distributed on 18-10-2021 (80 packets to villagers, 20 packets to Thalassemia patients)

REPORT OF TREASURER, TOS INDIA

The Year 2020-21 was extremely difficult for the Indian population due to the Covid 19 pandemic. The TOS IN INDIA has come out with outstanding social commitment in helping the needy during this period.

You may recollect that during the financial ear 2019-20, we had a surplus of R.1,91,550 which was carried over to the current Year under review. During the Year we have received an interest income of Rs.5,62,870. No donations were received directly by the Head Quarters.

During this period, all the activities were held locally throughout India. TOS regional groups and local branches were very busy in collecting resources and flung into action in helping the needy. Since TOS INDIA is a highly decentralized organization and local activities mostly do not reflect here.

During the period, we have donated an amount of Rs.2,00,000 to the Prime Minister National Fund. Prorata share of interest to regions paid was Rs.1,02,021. Since the Social situation n India is still continuing to problematic, the local branches are vigilant and are always ready to come to the help of the suffering brothers and sisters

GUIDELINE FOR COLLECTION OF DONATION FOR TOS WORK

K. Siva Prasad
National Director

Members of TOS should remember that it is not an organisation like other NGOs who also render service to minimise the suffering of others, collect money from many sources and utilise a portion of it for staff salary and other administrative cost.

TOS is a union of all who love in the service of all that suffers. It has great significance. It is a service with love and regards and without any expectation to all living beings.

TOS groups are mainly formed by TS members and its activities make the first objective of TS practical and they carry the message

of TS to common people to some extent. Money and dedicated works are needed to render proper service of course, there are many ways of helping the needy without money also. Charity should begin at home.

Presidents, Secretaries of groups and regions and kind hearted members donate for the work of TOS. If the group or region is properly organised they can collect donations selectively from corporate sector and banks that provide funds for social work. For this purpose they need to maintain and submit audited account, article of association, PAN card etc but they are not required to get the TOS group or region registered separately as TOS . India (1908) is registered under the registration of societies Act 1860.

If the donors want to avail of the benefit under 80(g) of the income Tax Act 1961 then at par cheques or drafts in favour of theosophical order of service in India payable at Varanasi to be collected and sent to National treasurer, TOS India, Varanasi to issue necessary certificate and remittance of fund to respective groups and region.

Proper project on health education sanitation, drinking water, animal welfare and environment etc should be sent along with the appeal for donations. While collecting donations, TOS groups and Region should consider the motive and honesty of the donor. The donations should be utilised only for the purpose for which it was paid.

The Theosophical Order of Service. **An Address by Dr. Annie Besant**

THE THEOSOPHICAL ORDER OF SERVICE was founded in order that a definite line of work be done on the ground of Brotherhood used in Service, and for that reason it requires a certain number of members to be connected with the T. S.

At one time, there was an inclination to confine the work of the T.S. to Theosophical Teachings. If we use the translation of the Greek word Theosophy, Divine Wisdom, there would be no danger of the T. S. being a sect.

The T. O. S. must leave the people free to show their brotherhood, to choose their own line of work. The term "Theosophical" Order of Service emphasizes the fact that the theory of brotherhood is embraced by its members, the same as tolerance and a willingness to accept all forms of Truth. "There is no Religion higher than Truth". The brotherhood of the T. S. is a nucleus of brotherhood. The O of S is intended to help us towards the realisation of Universal Brotherhood, not merely a brotherhood of the Elder Brothers, but with the criminal classes as well. Universal Brotherhood must not be a phrase, but a principle in life.

Is the first object of the T. S. in conflict with the second and third? If we talk of Universal Brotherhood, we ought to make no distinction as to who should be admitted to the Society. I should like to include in Universal Brotherhood, not only humanity, but all animals, even plants and minerals. We have a particular cell from which all the formative powers, strength and life go out. By treating a dog kindly, his mental growth quickens. A master said: "The heart of our Brotherhood is the unselfish service of mankind." That should be the aim of every member of the O. of S., should be an active force with which every member takes up some duty of a beneficent kind. A certain no-Theosophist, who is a keen worker, asked for a group in favour of vivisection to be formed in the O. of S. as a group for anti-vivisection already existed. I told her that, if she could show that torture of animals was consistent with brotherhood, I should agree. I never heard of the matter again.

Let us not fear to go among the lowest; for the purer the person, the more can he move in perfect safety, even among the most "Vile". When Shri Rama, the perfect king, was approached by a woman of bad reputation, he accepted the gift she offered and ate the fruit she had bitten into. And the Christ, when giving back health to the diseased, told them to "sin no more", to live the perfect life, the seed of which is in everyone and everything. There is only one Divine Life, and all life is part of Him. "Shall there be evil in a city, the Lord hath done it." "If I go up into Heaven, Thou art there, if I go down into Hell, Thou art there also." Reverence the Divine Life in everything; recognize that good and evil are experiences. The more experiences we have, the better we evolve. A "mistake" as Mr. Ford once said, is but what adds to our knowledge. We should of right or wrong by the person who does it; thus we shall know whether it was done willfully or as a mistake. As imperfect beings, we cannot do perfect work, but we can realise that gaining an experience is the only way to progress.

Consider a discovery such as that of Galvani, the great investigator, who found the action of Galvanism through his observation of the moving frogs' leg hung on his balcony. Let his friends call him the "Frogs' dancing master"; he knew he had discovered a hitherto unknown law in nature. Thus our knowledge is ever increased. The Galvanometer, when put on the head of a person thinking hard, answers by swinging. By looking into the unknown we progress.

If we take Theosophical thought as the key in our studies, we realize that God exists everywhere, that He who is Supreme Goodness, is also Supreme Law. Our understanding increases with our learning: "Give me understanding and I shall keep your Law, yeh, I shall keep it with my whole heart."

Reincarnation is the key to the world. The more we study Theosophy the more will the puzzles of the world become clear.

In the O. of S. you have the key to an orderly life. Choose your activity carefully. In the morning make a plan of your day's work; use your thought power beneficially; make the habit (till it comes

naturally) of snatching every opportunity to help and you will find thousands of things come in your way.

Do not get discouraged if your progress is but slow. I used to have a hasty temper, it took me years to get over it. I was helped by a lesson I got. I once saw a cartman striking the horse on the nose; I spoke to him heatedly and got a bad reply. Then I puzzled out that he was irritable only as I had been! I realized that in order to be truly useful, we must not stoop down, but must place ourselves beside those we want to help.

Try to bring into your Lodges people with whom you utterly disagree, and try to grasp their line of thought. The Law of Love, the only great law, will help you to understand the others; your knowledge will help you to bring the ignorant out of their ignorance and so to grow more quickly in evolution.

THE TOS LOGO

Theosophical Order of Service's enigmatic emblem reminds us to be fair and upright in our dealings with all concerned. We can explain it in the following manner.

The square indicates simple, fair and pure feelings towards all beings, or whom we are serving. This is clear from phrases like 'A Square Person', 'Square deal' etc. It represents equality (equal sides & angles).

In four corners there are four Lotuses, which remind us of universal brotherhood in all four corners of the earth. The Lotus indicates full blooming, that is "Nirvan" which is the highest aim of human life.

Though these flowers are rooted in mud and dirt, still they retain their purity, 'पुष्कर पलासवन निर्लेप' — (Lotus leaf, though in pond does not get wet). Like it we too may live in the world, doing 'निष्काम कर्म' (Selfless acts) despite being surrounded by selfishness. As lotus always faces the sun, selfless service too invokes God's blessing.

In the Center, the full blossomed rose indicates happiness and fulfillment, achieving the central aim of this service.

The emblem of TOS, full of flowers gives us the message of love, as flowers always do. They also represent selfless service (spreading fragrance all around). Thus emblem represents Truth, Beauty and Goodness. 'निष्काम सेवा' (Selfless service) being dedication to God is Satyam, 'The Truth', think of happiness of others is Shivam, (goodness), to serve with love is 'Sundaram' (the beauty) Flowers give us message of unfold ment towards higher life, and create an atmosphere of beauty. That means we must prepare ourselves for good actions without any form of discrimination. (To bloom into perfection) (Mrs. G.K. Ajeet, by courtesy "Seva Ki Triveni") "Flowers shed their fragrance upon all passer-by alike, not asking whether one appreciates that fragrance or not." "TOS is a stronger activity within the larger work of Theosophical Society"
